The Adventures Of Fat Rice: Recipes From The Chicago Restaurant Inspired By Macau

Synopsis

With 100 recipes, this is the first book to explore the vibrant food culture of Macauâ "an east-meets-west melting pot of Chinese, Portuguese, Malaysian, and Indian foodwaysâ "as seen through the lens of the cult favorite Chicago restaurant, Fat Rice.â An hourâ ™s ferry ride from Hong Kong, on the banks of the Pearl Riverâ in China, lies Macauâ "a modern, cosmopolitan city with an unexpectedâ history. For centuries, Macau was one of the worldâ ™s greatest tradingâ ports: a Portuguese outpost and crossroads along the spice route, whereâ travelers from Europe, Southeast Asia, South Asia, and mainland Chinaâ traded resources, culture, and food. The Adventures of Fat Rice is theâ story of how two Chicago chefs discovered and fell in love with thisâ fascinating and, at least until now, unheralded cuisine. With dishes likeâ Minchi (a classic Macanese meat hash), Po Kok Gaiâ (a Portuguese-influenced chicken curry with chouriÃ§o and olives), andâ Arroz Gordo (if paella and fried rice had a baby), now you, too, can bringâ the eclectic and wonderfully uniqueâ "yet enticingly familiarâ "flavors ofâ Macau into your own kitchen.

Customer Reviews

â œWhat a captivating book! With it, I uncovered theâ roots of Portuguese cooking and the indelible markâ it made on the world. I reveled in the beautiful wayâ Portuguese blended with Chinese in the kitchens ofâ Macau. But most of all, I discovered why the food atâ Chicagoâ ™s incredibly popular restaurant Fat Rice isâ so utterly delicious. This book opens up a wholeâ new world of flavor!â • â " Rick Bayless, chef and owner of Frontera Grill, Topolobampo, and Xoco Â Â â œWhen you read these recipes, itâ ™s like you just foundâ the secret ingredients that were buried away in

a treasure chest somewhere in the Pearl River Delta. The Adventures of Fat Rice is a must-have for home (and Jupiter) chefs. "Kool Keith, artist and rapper"Along with the book's visual pop, the evocative introduction and recipe headnotes full of history and stories makes this a cookbook worth owning as a compelling read."- EATER NATIONAL"Chances are you're unfamiliar with Macanese cuisine, from the small peninsula of Macau near Hong Kong. But spend an evening with this comic book-cookbook hybrid, and you'll be hooked on the fare that makes the Chicago restaurant of the same name so beloved."- TASTING TABLE "Chicago restaurant Fat Rice draws its recipes from Macau, a port city that blends the flavors of the Portuguese who once settled there with the foods of the various Asian traders who moved through the area. The result is a punchy, bold cuisine of bacalao and grilled seafood, noodles of all shapes and size, and the titular fat rice (arroz gordo). And did I mention Fat Rice is a comic book? Yup: throughout the cookbook are step-by-step, comic book-style instructions for making crispy rice or stir-frying fat noodles, as well as comic book covers depicting Fat Rice dishes like Crazy Squid and Pato de Cabidela (duck cooked in blood)." - EPICURIOUS"Stan Lee and other comic book creators can literally eat their hearts out, as the format of the traditional cookbook continues to evolve. The latest to challenge the standard: The Adventures of Fat Rice."- EATER"This is a fun food, so it is only fitting that the cookbook to come out of that restaurant should be equally fun. [The authors] have written a book that reads a little like a Lucky Peach issue crossed with a graphic novel: Yes, there are conventional recipes and lovely photography, but there's also pages of graphics woven throughout the book. . . Yes, this is all as fun--and appetizing--as it sounds."- LOS ANGELES TIMES "A joyful exploration of a lesser-known cuisine in America."- SAN FRANCISCO CHRONICLE

ABRAHAM CONLON and ADRIENNE LO are the chefs and co-owners of the popular Chicago restaurant Fat Rice. They have awards and recognition from the James Beard Foundation, Bon Appétit, Food & Wine, Eater, and many others. HUGH AMANO is a writer and the former sous chef of Fat Rice.

An excellent cookbook with copious recipes that are achievable by any home cook interested in learning more about the multicultural influences forming the cuisine of Macau. The format is readable and highly entertaining with fantastic artwork. In addition, this cookbook contains helpful advice from what ingredients to stock to advice on how to choose the best wok and other useful information, all in a readable, entertaining format.

The recipes were easy & w/o flaw. it's a great cookbook & I highly recommend it. I find , in general, Asian cooking most difficult to master. This book makes the recipes much more attainable. I highly recommend he cookbook for cooks of all levels!

I have been to macau a few times, and seek out traditional Portuguese foods and recipes. I cannot put this book down! I appreciate the layout of the book, and simplified seasonings and sauces in the back. The hints about preferred brands were spot on! This book has not been put on the book shelf. It's always out...Ã Ä^Äf

This an very good cook book. No short cuts, the receipes are as tradition has made them. The authors make it clear to achieve the best meal follow the receipes completely. I find cooking a joy and the outcome cannot be achieved through short cuts. Michael L.

another gift for my foodie daughter-in-law. She was thrilled.

Good.

Have not used any recipes yet but just came back from Chicago where their restaurant is. We ate there and had the Arroz Gordo, it was soooooo good! Cost \$45.00 but we sharred 4 ways. Also had two appetizers and a hot tea drink made with evaporated milk, yum.

This book is awesome. Part comic book, part vivid Macau street photography, part painterly still lifes of bright Macanese dishes. Incredible recipesÃ¢Â“many even look like a comic, so recipes are visual and easy-to-follow, and I'm not very good at cooking. A vital, bright reminder of a disappearing world cuisine inspired by a largely forgotten and fascinating culture. Feels like a rare living testament or a loving scrapbook from this new Chicago institution. I'm from Chicago and have eaten here a few times; it's unlike any place, and any other cuisine I've tried in my life. Thank god.Bravo Fat Rice, thank you for sharing!
