PreS-Gr. 2. As it turns out, if you give a pig a pancake, she'll eventually want a party--with balloons, a party dress, and guests. In the latest of the best-selling demanding-animal-meets-long-suffering-human series, the small pig protagonist needs as much activity and as many supplies as ever. This time, there's a search for friends, which leads to a street fair, a game of hide-and-seek, a sleepover, and the necessity of linens for a pillow fight. A blanket fortress needs balloons decorations. Balloons! They scream out for a party. . . . In Bond's crisp, cheerful illustrations, the pig's joie de vivre is contagious, except, that is, to her expressionless, ultra-accommodating little girl caretaker. Even considering its deliberate "if-then" pattern, the story feels loosely hinged, but young fans of the series will squeal with delight to see their pancake-loving

pig once again. Karin SnelsonCopyright © American Library Association. All rights reserved

Then she'll call all her friends -- Mouse, Moose, and more. The little pig from *If You Give a Pig a Pancake* is back, and this time she wants to throw a great big party! Laura Numeroff and Felicia Bond have created another winning story for this beloved character in the tradition of the best-selling *If You Give a Mouse a Cookie*.

This book lives up to the same standards as the other "If You Give . . ." books. If you love the moose and mouse characters from the other books, you'll be happy to know that they make appearances in this book as well. As always the illustrations in this book are adorable. My two year old and I love the page where all of the animals play hide and seek. She likes trying to find the animals over and over again in the backyard. Any one to six year old would love this book. A good addition to your book collection!

I just read this on FaceTime to my granddaughter whose 3 today. She and her older sister love the "if you give a...." books. The drawings are wonderful, and I am never bored reading the stories even after the 20th time. Very sweet, funny, charming series of books.

My 5 year old son loves this series. This is a great story for little kids. Quite comical and entertaining!

My four year old son loves this series!! We bought him his first book from this series - *When you give a pig a pancake* - for his second birthday. He still thinks they're hilarious!

"We love this book!" "Will you read it again?" asked the students in front of me. "*If You Give A Pig A Party*" is a fantastic read. The main character, the pig, begins her quest to throw an amazing party with balloons and her favorite friends from the esteemed series. You will find mouse, moose, dog, and more! If you loved "*If You Give A Mouse A Cookie*," then you will love this book too. The illustrations are brilliant, with much detail, and it's relatable. Every kid loves a party, therefore every kid will love this book! Read this book today!

Adorable story! Glad I bought it!
