## Customer Reviews

Liz Climo is a character artist for *The Simpsons* TV series and has worked on *The Lebrons* and *Seth Macfarlane's Cavalcade of Cartoon Comedy*. She is also the author of a childrens' book, *Rory the Dinosaur*, published by Little Brown. She lives in Los Angeles with husband and daughter.

Climo's comics combine the sheer cuteness of her drawing with wonderful jokes and puns. Many of them involve lateral thinking and curious consequences of animals behaving like people. Most are light hearted, but she does not avoid joking about shrimps about to be eaten by huge whales, a vulture pecking at a pig (who turns out to be sleeping) or suicidal lemmings. And many are about nothing else than pure cute, especially in this volume, which is dedicated to friendship and just how nice friends can (should?) be. She does publish many of her comics on her Tumblr, which could make buying her books somewhat unnecessary. But I really think her books are worth having, and serve as wonderful gifts - give the power of cute!

Quirkily funny and dangerously cute: the only problem is that this book might be even more enjoyable for adults than for kids... So don't hesitate to read this even if you do not have the excuse of having children in your household. Or give it to your adult friends, as I defy anyone not to enjoy and smile at these little gags and puns. Note: I purchased the Kindle version which looks great on my Fire HDX, but it's also easily readable on my smartphone (using the Kindle reading app).

Had her calendars and just knew we needed her books. Her comics always bring a smile to our face.

I bought this for my best friend. She loved it! This put is so cute and a quick read. The illustrations and conversations are light and funny.

Liz Climo's artwork is adorable. She has a fantastic sense of humor and if you can page through this book without cracking a smile, I think you might want to see a doctor because something must be wrong with you. Each page contains a comic, some with recurring characters, some not. They're all capable of being enjoyed individually, but I can't imagine someone stopping after just one page. The jokes are also very family friendly, meaning you can keep this out on your shelf for everyone to enjoy. And enjoy they will.

I bought this as a gift for my best friend. It is exactly the quirky type of humor that she loves. Its the perfect gift to receive on a day when you are feeling blue. It cheered her up and let her know I was thinking of her!

Not as cute as I hoped but still pretty cute.

A sweet little book of silly animal comics, that will actually make you laugh. This is a great gift for a friend who is feeling down or as a "I'm thinking of you" or just because Liz Climo is awesome.
