Stuff Unicorns Love

Synopsis

A whimsical, humorous imagining of what unicorns really think and what they truly love— including recipes for unicorn food, crafts, and the history of these mythical creatures. Glitter. Sparkles. Rainbows and shimmering manes. Sure, unicorns are magical, and their reputations have taken the world by storm, but how much do we know about what unicorns really think? What's their favorite cookie? What about their favorite color? Would they really drink that pastel milkshake you found on Pinterest? They sure would! In *Stuff Unicorns Love*, you'll get a guided tour of unicorns' most treasured things straight from a unicorn's mouth—from food recipes and crafts to beauty tips and their favorite activities. Learn the truth about these adorable (and painfully honest) creatures, as well as the facts behind their origins. With illustrations and tons of fascinating unicorn facts throughout, this is a perfect gift for unicorn lovers of all ages.
