Customer Reviews

Edyta Sitar credits inspiration, a love for fabric, a keen eye for color, and family heritage for her success in developing a thriving talent for designing quilts and quilting patterns. As one of the leading designers for Moda Fabrics, Edyta's fabric collections and patterns are widely distributed throughout the world. She is the author of the best-selling and award-winning books Hop to It!, Friendship Triangles, Friendship Strips & Scraps, Scrappy Firework Quilts and Seasonal Silhouettes.

It's okay; however, I thought the patterns of each block would be included. No patterns were included.

Each page of this calendar is attractive, but there is not enough variation from month to month for it to be interesting. Half way through the year (in June), I finally just took it down from the wall in my quilting studio and disposed of it. Because the year was half gone, I was able to order new calendar of a different type for very little money and to use that one instead. It's a shame because I do like the cover illustration and was hoping the entire calendar would be as interesting as the cover was.

As other reviewers have pointed out, there are no patterns in this calendar as there are with the

other quilt calendars I buy, but this one makes me smile every time I walk by it, and stop and admire the blocks. The book it is based on (Hop to It!) is out of print, but sometimes you can find a used copy at a good price in the Marketplace..it's where I found mine.

Pictures this year are from a favorite book "Hop to It", so I will enjoy the applique every month. Edyta Sitar is the best, and I love her quilts and sense of color.

I love all of Edyta's work. I have most of her quilting books. I haven't done too much applique work but plan to soon. Her designs are gorgeous.

I bought this for a coworker, who loves Edyta Sitar's quilts...

My new calendar. I always buy her calendar.

Nice calendar. Love everything Edyta !!!
