Our Irish Grannies' Recipes

Synopsis

Savor the delicious & authentic recipes of traditional Irish cooking. Safe-keepers of Ireland's tastiest and most precious culinary traditions, grannies from all across the Emerald Isle have long kept secret the recipes that define Irish cooking. Passed down from generation to generation, traditional foods such as brown bread and potato soup have been served by grannies in thatch-roofed cottages and local village pubs for years. Eoin Purcell has compiled the best of his ancestors' recipes in the ultimate collection of authentic Irish cooking. Try your hand at traditional granny recipes such as: Ravenscroft Guinness Beef Stew, A Traditional Dublin Coddle, Granny's Northern Irish Stuffing, Old-fashioned Soda Scones. Simple easy to make recipes. Interesting to read some of the backstory on the recipes. My paternal grandmother was a Kirby and Irish.

Found some of Mother's recipes here.

Excellent

Good reading--have tried two recipes that turned out fine, but if I were a new cook, it would have been iffy because the instructions were vague.

This gift was well-received and I very much enjoyed a little browse through before wrapping it. Nothing as cozy and homey as a brush with the Irish!! Very enjoyable. It arrived well-packaged and promptly. A good experience all 'round!

I've saved this cookbook sample on my iPad for sometime and finally decided to purchase the cookbook. I'm sorry I bought the book and I will return it to . Why? While the recipes look delicious, and the recipes are favorites from Irish families, the recipes are incomplete or use the scale for weighing ingredients. As most American kitchens do not use a kitchen scale to weigh ingredients, this cookbook would not be easy to cook from. Also, some of the recipes are lacking the pan size or temperature needed to bake the recipe in question. A good example of this missing information is the recipe called Uncle Frank's Lemon Cake. The recipe does not give the temperature needed to bake the cake nor does the recipe give a pan size. Another recipe that suffers from this missing detail is the Queen Cakes. A good cookbook should have the needed pan sizes and temperatures needed to complete the recipe. It would also be helpful if the cookbook used cooking measurements found in the country the book is published in. Some of the recipes you will find in this cookbook include: Old-Fashioned Orange Marmalade Phil Young's Gran's Potato Soup Ann's Gently Cooked Beefsteak An Economical Sheep's Head Old-Fashioned Soda Scones Mother's Pudding Recommend with caveats given.

Really fun cookbook! Great authentic recipes with short stories about where the recipes came from. Love this!

This is a gift I gave my friend for Christmas and she loved it.
