Rogue Ghost (CIA Ghost Series Book 1)

Synopsis

CIA operative Alex Parker is one of the most successful "ghosts" the agency has. Recruited as a 17 year old, she has over 100 kills to her credit. But ten years of blending in, disappearing, and assassinating targets has taken a toll on her and she'd like to get out. Now, she has a new problem....her partner's gone rogue. After stealing government secrets, he intends to sell them to the highest bidder. It's up to Parker, and her new partner, to find him and bring him in...dead or alive.

Customer Reviews

very good intro to author.

I could have missed this one and not missed anything.

Good read!!

Interesting book and characters. Grammatical errors and some obvious padding of length took away fifth star. Worth a read, though. I'd read number two if I could figure out how to buy it!

Easy reading - have ordered more in the series. Interesting flow of characters. Great for a day at the beach

This was an excellent book. What's the next one? This book kept my interest and was an easy read. Thank you for a great book!

Loved it great book wish there was more to the series...

I'm getting sick and tired of books that do not have an ending. From now on when I see "Book one" or anything like that I will not even begin to read. This could have been a really good book but it turned out to be just a lead in to buy another book in the series...sigh...
