Jesus loved his friends, and he had lots of them. His friend John baptized him; other friends learned from him. Jesus healed many people, and they became friends, too. Early readers will gain insight into Jesus' life when they read Jesus and His Friends. This book, part of the I Can Read series My First level, encourages children to love God's Word.

More pictures than words but it was a good message that was at an age for k-1 children to read.

Easy for early readers and doubles as your Bible time! Love hear books! I got them all on Kindle so we can read anywhere.

Again, I love this line of books - "I Can Read" books. They are reading level obtainable and are simple enough to be understood at the level your reading child is. The pictures are colorful and words understandable. I use them in a mixed age beginning Sunday School class. The children really like to see them.

Excellent way to get your little reader interested in God's word.

great

Got this for my 4 year old granddaughter. The illustrations and wording made it easily understood by her. We love it!
