Customer Reviews

Very cute go on easy and come out quite glittery

These tattoos went on easy and were well received by my child's friends at the party

Four year old grandgirl is a big fan of bugs.....all kinds of bugs! These were a real treat for her and she loves them.

We used these as party favors for our daughter's birthday party. They are really cool -- they go on great, and the added sparkle is neat. They were a hit with both the male and female guests, but they do lean toward being girlie because of the glitter and the way the bugs are drawn. We loved 'em!
