It was ok, basically tells you stuff you already know. The pictures were good though. I wish it was longer, and didn't cost so much! You could find all of the pictures and info off of Google or something for free.

I absolutely love this book! Very interesting and filled with information about the Glade! Thank you! P.S the shipping is extremely fast

I totally love this book! I couldn't watch the movie, but I saw this thing any freaked out. Literally. James Dashner RULES!

It's a book of pictures from the movie. Some of the pages have large text quotes or facts about the movie. You can read all the text in this book in about 3 minutes. Very disappointing for big fans of The Maze Runner.

This was bought as a gift for my younger cousin, who turned 13. She absolutely loved this book, as I imagine any fan of the Maze Runner series would be. Highly recommended for any fan of the series!

You gotta read this book. It is an adventure of a life time and wholly suspense. Could not be better.

Rec'd as described and in timely manner
