Soup: A Kosher Collection

Synopsis

We all have special memories associated with food, and perhaps nothing is more comforting than an aromatic bowl of soup. Soup nourishes the body, delights the senses and draws people together in celebration of good food and company. For Pam Reiss, these food memories are almost all related to Jewish food. From the chicken soup served by her baba to the delectable delights of her parent's kosher catering company, Pam comes from a world filled with family and flavour. After years of travelling and sampling food all over the world, Pam has created soups that are a kosher fusion of traditional recipes like her baba's soup and exotic flavours like her own Pear Soup with Feta, Pecan, and Balsamic Reduction. In this new full-color edition, Pam adds 20 new soups to delight the senses, and several new photographs to get you salivating. With clear and concise instructions for the novice cook, to exotic flavour combinations for the seasoned pro, *Soup: A Kosher Collection* is a must-have for any lover of soup. Pam offers up over 150 kosher recipes with ingredients that range from cheese, vegetables, fish, chicken, duck, and beef, to fruit. Cozy up with: Red Cabbage and Apple Soup Salmon and Dill Cream Soup Greek Meatball Soup Orange Gazpacho Chocolate Soup

Nothing is more comforting than an aromatic bowl of soup. Soup nourishes the body, delights the senses and draws people together in celebration of good food and company. From the chicken soup served by her baba to the delectable delights of her parents' kosher catering company, the

world of Pam Reiss is filled with family and flavor. Her book, a unique fusion of traditional kosher recipes and exotic world cuisine, is a must-have for any soup lover. Nominated for the Cuisine Canada Cookbook Award, *Soup: a Kosher Collection* has everything you need to know for simple kosher soup cooking.

Pam Reiss grew up helping her family with their catering business and specialty foods store, Desserts Plus. She later went on to earn a degree in Hotel, Restaurant and Institutional Management from the University of Minnesota. Pam returned to the family business where she is constantly recipe testing and thinking about her next cookbook. Pam lives in Winnipeg.

My friend recommended the book to me. Once I saw that the author has the same name as my older sister, I couldn't resist purchasing several books for other family members. We and they have made many of the recipes. The recipes are fairly simple. Some do lack the use of seasonings/herbs which enhance the bland flavors. Overall it's a usable cookbook that won't sit on the shelf!

I give this often as a shower present and i use it myself very regularly! Its a great resource if you like soup and keep kosher. Its a delight to NOT have to modify recipes to accommodate kosher cooking!

I gave this recipe book to a friend who keeps kosher and LOVES soup. She was thrilled with it!!!

My wife ordered this. I suppose she likes it. She makes delicious soups, I need 5 more words: Yummy Yum.

This book is amazing! I have made at least a dozen recipes and each has been delicious and flavorful! I LOVE that each recipe comes with nutrition information.
