Evergreen Springs: A Christmas Romance (Haven Point)

Synopsis

Celebrate the magic of Christmas in Haven Point with New York Times bestselling author RaeAnne Thayne, where hope, home and happily-ever-after are as close as your holiday stocking…Â Christmas is the last thing on Cole Barrett's mind this year. He's barely hanging on trying to care for his two grieving children since his ex-wife died in a tragic accident. For the reclusive Cole, this is no time for gift-giving and celebration—and certainly not for a sunny-natured optimist to blow into his screwed-up life.Â Physician Devin Shaw has long researched the curative powers of Lake Haven's mineral waters. Unfortunately, the hot springs are on Barrett property, forcing Devin to strike a bargain with the ranch's attractively gruff owner: she'll give Cole's children a magical Christmas, and Cole will allow her patients access to the springs. But can she work her holiday magic to heal the Barrett family's battered hearts—and her own?

RaeAnne Thayne brings us another amazing story filled with characters that are real, flawed, and so very lovable. In this wonderfully crafted story we meet Cole Barrett. An Idaho rancher who is working hard to balance everything going on in his life. He has two young children who have only recently come to live with him, a ranch to run, and a very pregnant sister who has decided to leave

her husband and come live with Cole. The last thing he has time for is trying to make this a Christmas to remember. Then he meets an angel. She comes in the form of Dr. Devin Shaw. When Cole's sister ends up in the hospital, Devin steps in to offer a helping hand. This Christmas turns out to be one none of them will soon forget. I highly recommend this book to everyone! This book is part of a series but it can easily be read standalone.

Cole brings his pregnant sister to the ER after she injures her ankle. Devin is the attending doctor and she admits Trisha for observation as she is in early labor. Cole has his two children with him as his ex-wife has recently died. Devin is a former classmate of Trisha and the two hit it off quickly. Devin learns Cole is struggling to run his ranch with no one to care for his children with his sister in the hospital. Devin rounds up their community to help with meals for the struggling family. She also helps with the care of his children until a housekeeper can be found. Devin quickly falls in love with the children as her attraction for Cole grows. Devin helps the children deal with the loss of their mother. Cole has a troubling past and Devin has a past heartache she is keeping to herself. Cole's father has returned to the area after abandoning his children when they were young. Trisha has left her home after a misunderstanding with her husband. The characters have problems they are all trying to resolve. This is a heartfelt story with warm characters trying to deal with their insecurities as they learn to forgive themselves and their families.

I love Haven Point and the cast of characters we have met so far. Dr. Shaw is a hero in my eyes, she stepped up to the plate to help take care of some broken spirits and ends up fixing her broken pieces too. Cole lives as a hermit, he recently had his 2 kids move back in with him. Cole's sister moved in while running away from her own problems, she's about to go into labor with twins. Christmas is right around the corner, the tree needs to be cut, the house decorated, snowmen need to be built, Dr. Shaw to the rescue!! RaeAnne Thayne really got into the heart of Christmas and small towns reaching out to help the hunkiest of neighbors.

This is a beautiful poignant story of a badass, loner cowboy with two children, and a smart, savvy small town doctor. Both have some pretty toxic baggage, but manage to find their way home to each other. The characters are complex and real; the story very believable. I got so wrapped up in the storyline I was in tears and let out a big breath I didn't realize I was holding as I finished reading. I'm fairly easy to please, but this book is a standout! Must read!

Evergreen Springs is the third book in the Haven Point series. Cole Barrett has his hands more than full as Christmas approaches. His two children come to live with him after his less than stellar ex-wife dies. He is thrilled to finally have them but with a ranch to turn around and no help in taking care of the kids...what more does he need to deal with....how about a sister estranged from her husband expecting twins?! Wow! When Cole has to take his VERY pregnant sister to the hospital, he doesn't expect to feel anything for the emergency room doctor, but Dr. Devin Shaw is definitely not what he expects. This is a super part 3 to the lovely Haven Point series. Pick up your copy of this book and find out what happens next! You will not be sorry. I was so sad when RaeAnne's Hope's Crossing series came to a close but have thoroughly enjoyed this series.

Evergreen Springs is by RaeAnne Thayne. It is a contemporary holiday romance. It is a Haven Point book. Cole Barrett has a lot on his mind this Christmas and it isn't Christmas. He is now a single father raising two young children on his own, trying to live down his past, trying to revive the ranch into a thriving business, dealing with his younger sister being in the hospital for bed rest to keep her twins from coming too early, and having his estranged father living next door. Christmas just isn't a priority. Dr. Devin Shaw loves Christmas but not quite as much as her sister, McKenzie the Mayor of Haven Point. She made sure Devin decorated her house before the first of December. Now Devin turns to her sister for help. From Tricia Barrett, she learned of the stress her brother was under and knew her sister could help find him a housekeeper. Meantime, frozen meals would help the family survive without Tricia to cook. The next day found Devin with a load of meals headed to the Barrett ranch. Cole was stunned to find the people of Haven Point would send meals to help him out when he had made it a point to ignore them. He hadn't lived here since he was out of high school. Luckily the way Devin presented the meals didn't make his pride decline them. He did have Jazmine and Ty to think of. Devin found herself cutting a Christmas tree, decorating it and Cole's house to help two bereaved children have a Christmas to remember. She also agrees to babysit the kids after school until Cole can find a housekeeper. Devin has to beware of falling in love with family since she can't have one of her own. Can she keep Cole at a distance? Will he distance himself when he finds out about her?
