Customer Reviews

I was looking for Christmas Card ideas and found lots in this book. Many images can be used separately. Great buy.

Many. many patterns. Beautiful designs.

Will be nice to chart own picture using the designs.

it was for my wife and she was very happy with all the different patterns in it. will be happy using it

I got this for a gift for an avid cross stitch person who has years of experience. She really enjoyed the presentation and has successfully done a number of the designs.
