Nice photos for a remembrance of a nice visit to Boston. The photos are sharp and colorful and a nice dialogue as well.

Great book. But no pics of MGH. Best Boston photo book. Using as guest book sign in for wedding. Lots of great photos with space for writing too.

Being a true Bostonian and a lover of Boston, Boston, A photographic Portrait just engrained what I already know and love about Boston. It depicted Boston as it is, A city that goes beyond being a Great beautiful place that has plenty of offerings. It shows its enormous history, up kept style and character. This book warmed by heart!

Much thinner book than I thought. Captured the touristy places. That's about it. Pictures included are really nice though.
