Steven M. Barrett lives near Disney World in Seminole County, Florida. He makes regular sleuthing excursions to Disney parks throughout the world to find their elusive hidden Mickeys. Barrett is the author of three hidden Mickeys guidebooks, Hidden Mickeys, which covers the Walt Disney World Resort, Disneyland's Hidden Mickeys, and Hidden Mickeys Go To Sea, a guide to hidden Mickeys on the Disney Cruise Line's four ships and Castaway Cay.

It was ok. Too much going on to play a game in Disneyland. But it was fun to read it ahead of time

and look around while waiting in lines.

A fun addition to our Disneyland trip. Loved using the scavenger hunt as a guide for a couple of our days at Disney.

My 12 year old loved reading it before we went to Disneyland and then he took it with him as a guide.

As always the Hidden Mickey books are a lot of fun. This one is the same way. I enjoy looking for Hidden Mickey's throughout the park. Thanks for another wonderful book!

Well written and up to date made our trip to Disney even more memorable and entertaining. A must have!

Great book. Definitely recommend for every Disney visit

It took away some of the magic. Stopped doing it.

We used this book every time we go to Disneyland. It helps keep us busy as we wait in line.
