Frommer's EasyGuide To Vancouver And Victoria (Easy Guides)

Synopsis

The fastest-growing city in Canada, Vancouver is also the most modern, the most diverse in population (a large percentage of its residents are Asian), and arguably the most fascinating in its touristic appeal: from remarkable museums to superb ethnic restaurants in all price ranges, to outstanding parks and natural sights, to locally-managed shops and stores, its lures attract a huge influx of visitors each year. Nearby, Victoria is a British-themed city of older attractions, yet just as appealing.

Book Information

Series: Easy Guides

Customer Reviews

Joanne Sasvari is a Vancouver-based independent writer who covers food, drink, travel and other lifestyles topics for a variety of publications. She is the editor of Flavours, a quarterly magazine about food and drink across Western Canada, and contributes regularly to The Vancouver Sun, Canadian Living, Destination British Columbia and others. Certified by the Wine and Spirits Education Trust (WSET), she has a special interest in spirits and cocktails, and since 2006 has been The Vancouver Sun's In Good Spirits columnist. She is also the past president of the Travel Media Association of Canada as well as the former Travel editor at the National Post and is the author of the culinary travel book Paprika: A Spicy Memoir from Hungary.

Does the job. Meets standards set by other Frommer books. Good mix of sites to see, places to stay, and restaurants. Other useful information included

Very entertaining and informative, can't wait to arrive and try many of the recommended attractions.

More readable than average for a guidebook. Maps seem easy to read, although some of them are defiantly sideways in the ebook. Seems current and familiar with the cities in question, as far as pre-trip me can tell.

Very informative. A great help while in Vancouver and Victoria.

Great

Helpful

Save your money. Since Frommer's was connected I thought it would be ok even through there were no reviews. Very superficial information that is already available on the web. The map of Victoria doesn't expand and is too small to read. We hoped to use this during a walking tour of Victoria but have returned it.
