Creed Leader Guide: What Christians Believe And Why (Creed Series)

Synopsis

We're all searching. Sometimes the search is easy: simply type a question and the answer pops up. But sometimes our questions are complicated, and the answers are difficult to see and harder to articulate. How do we discover and examine the truths that give meaning and purpose to life? Adam Hamilton believes that some powerful answers are contained in the Apostles' Creed, an early statement of foundational Christian beliefs. In this six-week study for Lent, Easter, and beyond, Hamilton considers important questions of life, reality, and truth. He explores not only what Christians believe, but also why they believe it and why it matters. The Leader Guide contains everything needed to guide a group through the 6-week study for Lent and Easter, including session plans and discussion questions, as well as multiple format options.

Excellent companion to a great book. The questions invite you to think deeper about what you believe.
