The Release Of The Spirit

Synopsis

Anyone who serves God will discover sooner or later that the great hindrances he has in the Lord's work is not others, but himself. He will discover that his outward man (soul) is not in harmony with his inward man (spirit). Both tend to go toward two opposite directions from each other. He will also sense the inability of his outward man to submit to the inner control of his regenerated spirit. His greatest difficulty lies in his outward man, which hinders him from using his spirit. Each one of us has as much of the same "Jacob-nature" in us. Our only hope is that the Lord may blaze a way out of us, breaking our outward man- breaking it to such a degree that the inward man may come out and be seen. This is precious! This is the way to serve the Lord.

Watchaman Nee se convirtio al cristianismo en China a la edad de diecisiete anos y comenzo a escribir en el mismo ano. A traves de casi treinta anos de ministerio se evidencio como un don unico del Senor para su iglesia en ese tiempo. En 1952 fue hecho prisionero por su fe y permanecio en prision hasta su muerte en 1972. Sus palabras permanecen como una fuente de abundante revelacion espiritual para los cristianos de todo el mundo.

This is also one of my all time favorite books. This message is so needed today in our modern christian culture. It is the first time in my life, i have heard a message like this. In theory it sounds good, but when God starts to work on your outer man or bring Jesus Cross to you, it is not so easy. But it so needed, that we as Christians allow God to do His breaking work in us, so that His spirit

can break through our hard shell and so doing touch a broken world. This is a must read for anyone who call themselves a believer of Christ...EssJee Rautenbach author of :Â How To Stand For Your Marriage: Giving Hope To A Broken Generation

I have been in Christ for over forty-five years. This book was given to me by an Evangelist back in the late seventies. He said that it would radically transform my view on Jesus Christ; me being in Christ and Christ being in me. I have to admit that I read it more than once over a two year period. Everything I read in it rang true in me but I couldn't understand it. I prayed, agreed with the Truth as it was revealed in it's pages, but it was still only so much theory. Until the Holy Spirit turned my mind's darkness into light. And you know what, that Evangelist was right! Since then, I have read everything I could find on brother Nee's writings, and have not been disappointed. He is among those saints through whom the Holy Spirit chooses to spread the sweet savor of our Lord Jesus Christ. I would highly recommend this book for anyone who has a thirst after Him like a deer pants after the brook! It may take you a while until the light breaks forth in your soul but the wait is worth it. The entire body of Christ would benefit from Watchman's writings. This little book was the one the Lord chose to hand to me over thirty years ago.Â The Release of the Spirit

You can soak your mind in this book. It's very interesting, though the concepts of the message is nothing new at times, this writing is fuel for afternoon pondering and evening meditation. I saw it was on the book shelf of Brennan Manning, that's why I bought this book. I can see why he seemed to have liked it.

Watchman Nee's books are a treasure chest. His books are short and easy to read, they are profound. This is a book suitable for taking on personal retreats. .

So insightful and rich for understanding the differences between the inner man and outer man (soul nature)!!

This book will challenge your spiritual walk and will help you distinguish between what defines your thoughts and agenda verses God's. This book will need to be read in sections, then practiced before moving on. I would not recommend just blazing through the depth of this timeless material. Utilize the excellent discussion guide printed in the back to make sure you have gleaned from each chapter the intent of the author.

I have learned very much from Watchman Nee. His books, for me, are difficult to read quickly. I have to read a part (or section) of a chapter and then meditate on it for quite awhile. Even then, his teachings and insight are not easy to just read and apply. These are some of the Word/Spirit writings. All of his books are. They never get old and remain highly relevant to this day for every Christian who wants the deepest and most intimate walk with the Lord Jesus Christ. A must book for every Christian's study library!

If you are still in the dark about the amazing power of God's ability to make you victorious, read this book. The outer shell of a seed has to be broken for the tree to grow. If we keep our outer man strong and the husk unbroken, what is in us will not blossom. Allow the Spirit to break the outer man, so that the inner man who is better and stronger can take hold and live out your life. Amazing book! Watchman Nee never fails to encourage, exhort and tell the truth. Excellent book!
