Child Abuse: A Guide For Teachers And Professionals (Revised)

Synopsis

This is both a personal story of a young woman who was the victim of emotional, physical, and sexual abuse from her mother and it also includes stories from several other survivors. This Kindle is also a source book for teachers and professionals who deal daily with the problem. Child Abuse: A Guide for Teachers and Professionals is from a book with the same title printed in 1983. The stories and lesson plans written then are still pertinent to today's trauma with battered children. Since the enactment in 1974 of federal laws covering child abuse, the reported increase in the number of these cases has led many to speak of child abuse as epidemic in America. One in seven children is reported to be the victim of child abuse. Who are the abusers? What do I do as a professional when I suspect child abuse? This book contains reporting resources, curriculum ideas for teachers, and public awareness materials.

Book Information

File Size: 619 KB

Print Length: 182 pages

Page Numbers Source ISBN: 1463618239

Publisher: Createspace; First Edition edition (July 19, 2011)

Publication Date: July 19, 2011

Sold by:Â Digital Services LLC

Language: English

ASIN: B004BDOVE8
