Customer Reviews

The guide was great if all you had was a short time. All it lists are the top ten in any area and since I had more time (1-1/2 weeks), there is so much to see and do in Oahu that I needed another guide book. For example it listed the top ten restaurants which are the most expensive. I like the less expensive restaurants (termed mediocre in Frommer's). Additionally in the airport there are a dozen free guide books in racks which seem to have everything listed in this book.
